## VICE CHANCELLOR FOR RESEARCH

RE: Redefinition of Authority - To Solicit Federal Grant Funding under the American Recovery and Reinvestment Act of 2009

The authority to solicit Facility Grant Funding under the *American Recovery and Reinvestment Act of 2009* (ARRA) was delegated to me by the President in DA 2225, June 16, 2009. The delegated authority did not include the authorization to accept ARRA funds.

Effective immediately, I redelegate authority to you to solicit facility grant funding under the ARRA for projects that fall within the President's authority according to the June 12, 2009 Interim action of the Regents. Any existing delegations to the contrary are suspended for the purposes of soliciting facility grant funding under the ARRA.

This authority may not be redelegated.
