VICE CHANCELLOR
PLANNING AND BUDGET

RE: Redelegation of Authority - To Solicit Federal Grant Funding under the National Institute of Standards and Technology Construction Grant Program

The authority to submit applications under the National Institute of Standards and Technology (NIST) *Construction Grant Program* (ARRA) was delegated to me by the President in DA 2247, April 19, 2010. The delegated authority does not include the authorization to accept the NIST construction funds.

Effective immediately, I redelegate authority to you to solicit or apply for facility grant funding under the NIST *Construction Grant Program* for projects that fall within the President's authority according to the April 5, 2010, Interim Action of the Regents. Any existing delegations to the contrary are suspended for the purposes of soliciting facility grant funding under the NIST *Construction Grant Program*.

This authority may not be redelegated.
